About Us

We are a large GP owned organisation which consists of six Medical Practices across Melbourne. In addition to our portfolio of Medical Practices, we also have a large Aged Care arm which provides aged care facilities a model of care for their residents utilising trained general practitioners, nurses and staff. If you are a GP who is wanting flexibility and looking for a new opportunity within a well-established GP owned business then we may have a role that you are looking for. We are keen to speak with VR GPs who are enthusiastic and looking to join a great team.

Why choose us?

- Guaranteed 40 patients a day at a minimum of \$1800 of total billings per day for 6 months
- Experienced administrative staff and nurses to make joining the team seamless
- Existing patient base (we do the work for you!)
- Flexibility to meet work/life balance
- No exclusivity requirement enabling you to work with us and others

Qualifications

VR GPs preferred (no 19AA exemption) DPA (19AB exemptions) available.
