

About Us

We are looking for General Practitioners to join our busy Laurimar practice in the northern suburbs of Melbourne.

Our team is made up of a group of doctors that have been working with us for many years, however, due to the upcoming relocation of one of our doctors, the opportunity has arisen to join our thriving practice which serves our local community.

We encourage and support our GPs to develop special interests. We are currently looking for GPs interested in skin procedures and GP Registrar teaching.

We take pride in providing excellent clinical care and we foster an inclusive environment with active participation of GPs in regular clinical and business meetings.

Benefits:

- Guaranteed earnings for the first three months
- Mixed billing group practice

About the practice:

- Doctor owned practice
- State of the art facilities
- Fully accredited
- RN support
- Allied Health support

Qualifications required:

- Doctor with General or Specialist registration with AHPRA
- FRACGP or equivalent
- Unrestricted provider number
- DPA position available
